florists

As part of our ongoing efforts to minimise our impact on this beautiful planet, all of the florists listed as a preferred supplier create their designs without the use of floral foam.

With our entire property moving to more sustainable practices, please note that if your florist does opt to use floral foam, we require this to be disposed of by yourself or your florist.

Your understanding is greatly appreciated.

CHEESEWHEEL CAKES

Should you like a cheese wheel wedding cake, under our Food Act Safety Program this must be provided by Stones of the Yarra Valley. We can assemble a tiered tower of gourmet cheeses to be garnished with seasonal fresh and dried fruits. Following your “cutting of the cake” we will portion and serve for guests to enjoy with fresh seasonal fruits, preserves and crackers. For further information, please don’t hesitate to contact us.

GELATI CART

Our very own Italian-inspired gelati cart is available for hire! This gorgeous cart is fully stocked with the Yarra Valley’s finest gelati and can be set up in The Dairy whilst guests mingle in the sunshine during canape hour, or towards the end of the evening in your reception for a little extra sweetness at dessert time. For \$9 per person you will have a choice of six delicious flavours.

bonbonnieres & stationery

BONBONNIERES

Green is the new white!

Stones of the Yarra Valley has undergone a high-level carbon footprint assessment via Climate Friendly and offer the ability to carbon offset your guest's attendance. The carbon footprint of your special day includes factors such as energy, gas, food and fuel consumption and waste production.

In lieu of a traditional bonbonniere, we can carbon offset your guest's attendance in conjunction with *TreeProject* by providing trees, shrubs and grasses needed to re-vegetate and repair our environment in beautiful Victoria.

With a donation of \$3 per guest, one seedling will be planted in the ground and we will print a message on the bottom of each menu to let guests know of your thoughtful contribution.
